Hello

I am seeking a position that would allow me to apply my knowledge and develop my IT skills. I am a creative thinker who works well independently and alongside my colleagues. I will offer honesty, integrity and hard work and I will tackle any challenge you set before me.

Summary of Related Experience

St. Clair College, Windsor Ontario 2016 Fall - 2019

Completed the Information Systems Networking program at St. Clair College of Applied Arts and Technology. Graduation on June 12th, 2019, with an advanced diploma in Computer Studies - Networking Technologist and a GPA of 3.7.

St. Clair College, Windsor Ontario 2019 - 2019

Completed the 2019 Capstone Networking Technical Project with the help of WFCU as the sponsor. During the Capstone Project the group that I lead was tasked at analyzing the network and determining if there needed to be any changes or fixes to any problems that may have been discovered. This group was one of the top 7 and was awarded with a \$2,500 grant for the work.
